

ULI NORTH TEXAS

Program Day #2: Regional Development Influences

Date: October 19, 2017

Venue: DFW International Airport

Program Day Topics:

1. How regional infrastructure and governance work in North Texas
2. How transportation and water systems shape development patterns
3. How infrastructure projects will affect the future of our region and current infrastructure needs, initiatives, and financing efforts

Program Day Chairs:

Dana Burghdoff, City of Fort Worth Planning and Development
